

## STAYNER LAWN BOWLING CLUB - JANUARY 2026 NEWSLETTER

Christmas and New Years are now old memories, but I do hope that everyone had a good one. And, that you have managed through all the snowstorms or better yet you are away somewhere warm and sunny.

We, your executive our first meeting of the year – time to start working on budgets and scheduling for the coming season. Based on input at the fall meeting, we will have monthly theme events again along with the Caputo, Hanna Motors, Cox and Reinhart Foods invitational tournaments.

A yard sale has been scheduled for May 23<sup>rd</sup>. We need donations, just no furniture, clothes, electronics or Christmas items, please. The Bring a Friend and open house is set for the last week of May.

Despite the weather short mat has been running on Mondays at the Stayner area with a competition set for Saturday, April 27<sup>th</sup> – more to come on that. Back in November you may have seen the picture with members and dignitaries at the recognition event for the grant that made show mat possible.

Over the coming days Ross will be working to update the club website to get it ready to accept member registrations starting in February, adding event dates, etc. Knowing who is coming back supports the budget planning process. If you are returning, we encourage you to register

online: [www.staynerlawnbowlingclub.ca](http://www.staynerlawnbowlingclub.ca) or confirm by email. The fee is still \$225. And, if you want to pay right away when you register you can do an e-transfer to the club's email address: [staynerlbc@gmail.com](mailto:staynerlbc@gmail.com) or register now and pay in May at the start of the season. Please note the new members fee has increased from \$150 to \$175 due to increased costs. The social membership fee has not changed \$25.

Thanks, and take care.

Cheryl
