

JUNE 11, 2026 NEWSLETTER

It always feels good to get our first invitational tournament behind us. We had teams from Barrie, Collingwood and Midland. And I am very happy to share the Vince Caputo Memorial Tournament was a great success for Stayner teams:

1st Prize – David Reid & Candace Teetzel, Stayner - 3 game winners with 34 points

2nd Prize – Ross Wuerth & Karen Crevier, Stayner – 2 game winners with 35 +2 plus points

3rd Prize – Tom & Cecile Peacock, Collingwood – one game winner high aggregate – 23 pts

P.S. Karen only started bowling last year.

Many thanks to everyone who helped to get the club ready for our guests. The grass, the green, the ditches cleared, patio, picnic tables and benches. The garden is looking great. And the day of everyone who was bowling pitched in to help as well as Heather came out to give a hand. We had a perfect day – no rain, some clouds and I do not think it got as warm as they were calling for.

Next invitational tournament is Thu, June 25th - Hanna Motors Tournament - Open Pairs and we are looking for teams.

We have four new bowlers from our open house, please welcome: Arlene Thompson, Beatrice McKee, Judy Hawton & Cindy McKenzie. And, did I mention in my last letter: Cliff White joined. I also understand that some of the new members are planning on bringing out some friends – that is great - new members always bring so much energy.

Before I forget - I just saw the sign-up sheet at the club – our first theme event is Wednesday, June 17th – it is the Stayner FIFA World Lawn Bowling Event, wear red & white to support the Canadian team or a team jersey of your favourite soccer team. We will bowl from 10am – noon, pizza lunch to follow – cost \$12. Please sign up and pay so we have numbers. For our new members, we have a themed jitney every month with a different jitney format – it is lots of fun.

And Jon, Barrie reminded us we have the Friendly at the Barrie Dome on Thursday, July 2nd (6:30pm arrive, 7 start). It is a fun event with a couple of short games then goodies. The two clubs have been close for years, so come out and meet our long-time friends and see what it is like to bowl inside.

I will remember something else as soon as I hit send but that is all for now.

See you at the green!
