

Its LIVE – The new Website is up!

Check it out – <https://staynerlawnbowlingclub.ca/>

The site has all sorts of information and there is more to come but we really wanted to get it up so we could start using some of the functionality like on-line membership registration and on-line tournament registration.

Now, to access the on-line member registration you do have to set up a user ID but it is easy. Why Set up a user ID? So, you can see member only information and -

- Instead of having to write up a Club registration form and sign, on-line you can update your personal profile, renew your membership and print off your waiver form so you can sign in advance.
- And, although not website related you now have the option to pay your membership fee by e-transfer to the club email address: staynerlbc@gmail.com
- You can register for our open/invitational tournaments on-line & see who has registered to play from another club.
- In fact guests from other clubs can register on-line to play in our open/invitational tournaments.
- You can look up our in-house tournaments and register on-line to play/attend
- Register on-line for Friendlies – this year three clubs have invited us to come and bowl.
- New bowlers will be able to see information about the club and even register to join or take lessons.
- Check out the training and reference material under Members, Coaches Corner along with video links.

- And throughout the season if something changes for example your email address, home address or emergency contact – you can update your personal information (Profile) on-line.

### **How do you setup a User ID it is super easy**

1. Launch the staynerlawnbowlingclub.ca website (make it one of your favourites).
2. Click on "login" tab.
3. Click on "Forgot Your Username".
4. A new window opens, enter your email address (we have loaded member's email addresses)
5. The system will send you an email with instructions with an assigned username and temporary password.
6. Login using that username and temporary password
7. The system will ask you to choose a new password
8. Log in again using the new password, and you're in!

Change your password at any time after you reset it – just log into the website and go into Profile.

### **Now that you are in:**

- Update your profile for missing information (it is under the Member tab), required fields are identified by \*\*
- Renew your membership for 2024.

No time to register but want to check the dates for our open tournaments go to Tournaments. All the open tournaments are available on the public side of the website. Figure out who you will bowl with and register on-line.

But, honestly do take a look around the website. We think it is something to be proud of!

And check it from time to time for updates on the first day of bowling – if the weather holds up we may be earlier than we originally planned!
